Your Complete Security Company

GSA CONTRACT # GS07F9562S

Approved Contract Holder Since 2006

We at, Delta Surveillance, manufacture/sell custom high-security, fully supervised, digital video recorders. The **EagleWatch High Security Network DVR** can be custom-made per your requirements. For example, it can be made water/corrosion resistant, noise proof for covert situations, or exceptionally cooled for situations where the DVR must be placed in a warm environment. These are just a few examples of how our DVR can be made unique for your special needs.

We sell and are efficiently trained to service and install most **CCTV camera, burglar /fire alarm** and **access control** systems.

We operate a state-of-the-art **Video Monitoring Central Station**, where our trained security guards monitor accounts from all over the Mid-South and across the US.

If you are looking for a dependable, easily serviced, customized, fully supervised, high security DVR for a reasonable price, **EagleWatch High Security Network DVR is for you!**
